The American Numismatic Society,  
Broadway at 156th St.,  
New York City.

Dear Sirs:

Will you either send and charge to me at the above address,  
or quote me the price of the supplement to Miller: The Copper  
Cents of Connecticut. I have the original volume containing Miller's  
Conn. classification and Ryders two , but have only recently learned  
of the Miller Supplement, and am very desirous of obtaining it as  
soon as possible.

For reference, if desired, you might phone Thos. L. Elder, who  
knows me well.

Most sincerely yours,

*Chas. W. Stephenson M.D.*

Dr. Charles W. Stephenson,  
Hartford, Conn.

Dear Sir:

Your note of November 21st is at hand, and I take pleasure in sending you under separate cover a copy of the Additions and Corrections to Miller's The State Coinage of Connecticut.

If you have ever considered becoming an Associate member of the American Numismatic Society, I should be happy to have you do so now. The annual dues are \$5.00, and you would receive our publications which usually are worth more than this sum separately. I am enclosing an application card in the hope that my suggestion may appeal to you. If I might present your name at the next meeting of our Council, on December 14th, you would be enrolled for the coming year, as our rules provide that members elected in December do not pay for the year in which they are elected.

Very truly yours,

Secretary

Dear Dr. Stephenson:

Thank you for your application card

meeting of December 14th.

Very truly yours,

Secretary

Dear Dr. Stephenson:

Replying to your inquiry regarding membership medals, the price of these in bronze is four dollars each, plus the engraving cost which of course varies with the individual name. The year must also be added. Do you therefore advise how you wish your membership medal engraved. These are also available in silver, but we usually recommend bronze because the silver tarnishes so easily.

Yours very truly,

Secretary.
